Nutrition, Health Coaching and Iridology

All coaching services and communication, email or otherwise, delivered by Ally van de Pol, (your "Coach"), are meant to help you identify the areas in your life and in your thinking that may be standing in your way towards lifelong health. However, coaching is not professional mental health care or medical care. If you feel psychologically stressed to the point that it is interfering with your ability to function, please have the courage to seek the help you need in the form of a professional psychologist. Coaching may augment your therapy, but the work of coaching is meant to be done when major emotional and psychological wounds are already healing or healed. The Coach will refer you to other trusted health professionals as necessary.

In that spirit, by purchasing coaching services from your Coach, you confirm that you have read and agree to each statement and that you wish to proceed:

- I understand that the coaching services I will be receiving from my Coach are not offered as a substitute for professional mental health care or medical care and are not intended

to diagnose, treat or cure any mental health or medical conditions. I also understand that my Coach is not acting as a mental health counsellor or a medical professional.

- I understand and agree that I am fully responsible for my well-being during my coaching sessions, and subsequently, including my choices and decisions.
- I understand that coaching is not a substitute for counselling, psychotherapy, psychoanalysis, mental health care or substance abuse treatment, and I will not use it in place of any form of therapy.
- I understand that all comments and ideas offered by my Coach are solely for the purpose of aiding me in achieving my defined goals. I have the ability to give my informed consent, and hereby give such consent to my coach to assist me in achieving such goals.
- I understand that to the extent our work together involves career or business, my Coach is not promising outcomes included but not limited to increased clientele, profitability and or business success.
- I understand that my Coach will protect my information as confidential unless I state otherwise in writing. If I report child, elder abuse or neglect or threaten to harm myself or someone else, I understand that necessary actions will be taken and my confidentiality agreement limited in this capacity. Furthermore, if my Coach is ordered by a court to provide information or to testify, she will do so to the extent the law requires.
- I understand that the use of technology is not always secure and I accept the risks of confidentiality in the use of email, text, phone, Skype and other technology.
- I hereby release, waive, acquit and forever discharge my Coach, any agents, successors, assigns, personal representatives, executors, heirs and employees from every claim, suit action, demand or right to compensation for damages I may claim to have or that I may have arising out of acts or omissions by myself or by my Coach as a result of the advice given by my Coach or otherwise resulting from the coaching relationship contemplated by this agreement. I further declare and represent that no promise, inducement or agreement not expressed in this agreement has been made to me to sign this agreement. This agreement shall bind my heirs, executors, personal representatives, successors, assigns, and agents.

DMSO

DMSO is a safe natural substance, when used correctly, however, as with any natural substance or pharmaceutical, if it is used incorrectly, then side effects or problems may occur. It has been recommended that DMSO may be beneficial for my health. This is not prescribed to you, for the purpose of curing any disease, but as a supplement to improve health. I have received instructions how to use these natural substances and it has been explained to me that natural substances may be harmful if used incorrectly. I have disclosed if I am currently taking any pharmaceutical drugs and I will notify my coach, Ally van de Pol, if I choose to take any additional drugs. DMSO should not be combined with pharmaceutical drugs as it heightens the effect of that drug. It is not recommended that DMSO is mixed with alcohol or caffeine, as once gain their effect may be heightened.
